

Restored Republic via a GCR: Update as of Tues. 28 June 2022

Compiled Tues. 28 June 2022 12:01 am EST by Judy Byington, MSW, LCSW, Therapist ret, Journalist, Author: “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities.”

If not now, then when, to make America Great Again?

...Dr. Trump

In tandem with the Global Currency Reset comes GESARA (Global Economic Stabilization and Recovery Act) that will result in no Poverty, no Hunger, no Debt and only Global Prosperity and Peace for ALL.

In the United States will also come NESARA (National Economic Stabilization and Recovery Act) that cancels all credit card, mortgage and other bank debt due to illegal banking and government activities. NESARA also abolishes Federal Income Taxes in the U.S. and creates a 17% flat rate non-essential new items only sales tax revenue for the government. Food and medicine will not be taxed, nor will used items such as old homes.

“Of Enemies and Friends”

[May 15, 2022 - #4835 Music & the Spoken Word \(thetabernaclechoir.org\)](#)

Imagine what could happen if, instead of harboring resentment, you reached out in some kind way to someone who offended you. The best way to defeat an enemy is in seeking to make the enemy your friend and you might begin to build a new wonderful relationship.

We can't control how others will respond to our outreach, though the very effort – no matter how people receive it – helps to make the world a bit kinder, a bit more understanding. Our compassion reduces the anxiety around us, brings peace and unity into our conversations.

What a wonderful way to spend the life and time God has given us!

Judy Note:

A. Mon. 27 June 2022 9:16 pm EST GreatAwakening.World - Q + Trump:

- **Emergency Broadcast** <https://rumble.com/v14iq94-emergency-broadcast-must-watch-now-great-awakening-prophecy-started.html>

- **The Great Awakening Prophecy and Worldwide Event** has started and will escalate fast. We wanted to warn you so you can get prepared as we are going to experience the biggest transfer of wealth and power in human history, the largest military operation on earth and a global transition to Greatness.
- **We are currently in the 4th Industrial Revolution** and World War 3 since years already. People will only see the end of the war as it is a spiritual and digital war mostly and was hidden on both sides. They will announce peace deal right after THE EVENT. It is Good vs Evil, God vs Satan, Light vs Dark.
- **The Black Swan event, Great Reset Financial Collapse** planned a long time ago by WEF already started. Corrupt Globalists Banksters started attacking crypto already and stock market is crashing. For crashing Crypto they use peoples money, Tether stable coin and Bitcoin to Short Sell the market with massive leverage. For the Stock Market, they use peoples money to short sell the market against the people to siphon all money as much as possible so that everyone lose everything. Soon, Evergrande Chinese company debt crisis will collapse the real estate worldwide.
- **They know most people can't do anything** as banks only offers investment services to buy into the market and not short sell.
- **People need to see it to believe it to wake up.** So now they can clearly start seeing the financial system collapsing and the New World Order Great Reset taking over everything. This total financial market crash will trigger collective global near death experience as a lot of people will think they lost everything. This is a global ego death for all and it is actually good for the future of humanity. Everybody that fed the beast and invested and funded criminal globalists corporations will lose their investments. Everything needs to go down for a complete global reset and rebirth on a new better Quantum Light System.
- **The pandemic virus was a biological attack** and an act of war during Trump admin which gave Trump the super power to do INCREDIBLE plans with the military like instate a fake Biden presidency and play a movie during the criminal cleanup and at the same time reveal the truth and exposing the globalists evil elites agenda and crimes to public.
- **They are bringing the darkness to light.** Millions of people today knows the dark globalists agenda and can see the crimes and corruptions everywhere in every industries. The Great Awakening is waking up people by showing them the dark agenda.
- **Here's what is coming:** GreatAwakening.World - Q + Trump, [6/27/2022 9:16 PM]
- **Planned Cyber Attacks** on everything, financial system collapse, critical infrastructure, communications and power grids shutdown, internet blackouts, food supply shortages, etc. They will probably say it is coming from Russia but it is all planned since years. This will be seen as act of war so will trigger World War 3. The corrupt Globalists will get caught doing the Great Reset and stealing everyone.

- **Trump will be back** on Twitter and Tweet: "My Fellow Americans The Storm Is Upon Us".
- **They will declare World War 3** and will send notification via EBS Emergency Broadcast System. Then, they will shutdown blackout communication, internet and maybe power grids for 3 Days of Darkness. Military will use EMP drones for this.
- **Martial Law will be activated** and stay at home order will be implemented. Militaries will be deployed probably during the night so people wake up and cities will be secured to reduce crimes, riots and prevent civil wars. They will provide food, water and help for everyone in needs.
- **Police officers will receive all indictments for mass arrests** of criminals by the militaries. Corrupts politicians, bankers, criminals, globalists, secret societies, etc will be arrested. Lots of arrests already been done. A lot of people you see on TV are not the real people, they use actors, CGI, masks or VFX. Almost nothing was made public as it was kept secret in military tribunals. Militaries do not notify the enemy of their plans. Most people you think are alive are dead and most people you think are dead are alive.
- **After the 3 days darkness will start the 10 Days of Revelations**, Full truth Declass. All the truth will be revealed about every crimes Worldwide. They will reveal everything about Globalists and bank cartels world take over plan, NWO New World Order depopulation agenda, plandemic, poison vaccines, fake medias, voting frauds and way more. There will be only 1 website and 1 TV channel that will play 3 movies of 8 hours each in loop during these 10 days so 24 hours a day. Everyone will see the truth worldwide. Arrests and even executions will be shown. Think Nuremberg 2.0. This is The Great Awakening.
- **The NWO New World Order Great Reset** will fail and replaced by a good Global Reset called GESARA NESARA. A new QFS Quantum Financial System will be implemented using mostly crypto Ripple XRP, Stellar XLM, XDC and Algo that will be ISO20022 regulated first. It will be decentralized, un-hackable and 100% safe and secure.
- **We will enter a new Golden Era** as these cryptos will be backed by metals Gold, Silver and others to make sure of the stability of the QFS. All new CBDC Banks will be Basel 3 compliant.
- **The GCR Global Currency Reset** will reevaluate every currency in the World to make sure they are all using the same base system with Ripple XRP Standard as Global Bridge Currency. Humanity worldwide will use the new Rainbow Currency.
- **Everyone worldwide will have an appointment with the redemption centers** to have access to their new "bank" card and ledger under the QFS.
- **GreatAwakening.World** - Q + Trump, [6/27/2022 9:16 PM]
- **Under GESARA NESARA all debt will be erased totally**. It is a complete debt jubilee. Credit cards, cars loans, mortgages, etc. They will all reset and be erased as they were all illegal because of the interests banks are charging people illegally. The Government will be reduced by 95% and automated with AI. There will be good UBI Universal Basic

Income for all. A New Quantum blockchain voting system that can't be frauded. We will go back to Free Tesla Energy and Free Internet (Starlink Project Odin) and communications that will pass through the free Ether energy. No more dangerous for health Wifi, 5G, EMF, etc. There will be no more inflation ever since the financial system will be backed by metals and metals will only go up infinitely creating deflation instead. There will be no more income tax to encourage travel and business worldwide. Only about 14% taxes on non-essential products and services. There will be no more wars allowed worldwide. They will release over 6000 suppressed patents and enormous sums of money will be released for humanitarian purpose to help people. It will be the end of poverty and hunger worldwide.

- **All corrupt companies will be seized** under injunctions sent by the militaries and every assets and ownership will be transferred under GESARA NESARA that is decentralized and controlled by The People. Most companies on Wall-street owned by Blackrock and Vanguard as an example will fall under GESARA. All companies will be tokenized and will be transferred into crypto decentralized blockchain trading system.
- **We are going into a brave new Quantum 5D (5th dimension) World where everything will be Quantum.** There will be new Quantum education system, Quantum Nutrition, Quantum Healing with Medbeds, Quantum Financial System, etc.
- **Bill Gates, the Queen, the Popes, Biden** and way more will be shown arrested and executed for crimes against humanity. Trump will be reinstated by the military until another election will be triggered 120 days after GESARA activation. Trump will be re-elected officially and be seen as the savior of humanity (for religious it will be like the return of Jesus).
- **Operation London Bridge:** Since the Queen is dead since a while and most Royals arrested for crimes against humanity every countries has been able to withdraw from the Maritime Law and Royal control. GESARA NESARA is a restoration act that most countries signed already that makes them all Free Restored Republic under The Constitution, decentralized and controlled by The People.
- **We recommend Preparing for THE EVENT** by having at least 2 weeks of food and water, batteries, flashlights, candles, solar panels, etc. Do NOT drink tap municipal water as it could be poisoned with fluoride, heavy metals and other chemicals that brainwash people and could be dangerous for health.
- **We are witnessing The Liberation of Humanity.** The transition to Greatness! The Best Is Yet To Come as Trump says. We are transitioning from 1000 years of darkness to 1000 years of Light, Greatness, peace and prosperity on earth. From Dark to Light!
- **Nothing can stop what is coming.** Nothing! Military is the only way. Where We Go One We Go All! Trust The Plan and Keep Faith. God Already Won! Light Already Won! We Love You. Let There Be Light.

B. Judy Note: What we think we know as of Mon. 27 2022:

- **Geopolitical forces** and Mass Arrests that have taken longer than expected and has caused another delay in completing the Global Currency Reset. The Chinese Elders apologized saying, “The leadership just needed more time.”
- **One Bond Holder** said he wouldn’t be paid until **early August**, while another Bond Holder said he could likely be paid around **July 20**.
- **Mon. 27 June evening MarkZ:** I’m not hearing anything negative at all....I am still hearing from the overwhelming majority that are looking for this **very early in the first week of July**. Some of my bond contacts are being told they will not receive their entire balance until **August**. But they are still expecting to get that small percentage soon....that makes sense to me based on the overall design of this whole thing....the first of their money will be in fiat and the rest will be in gold backed currency..... they get money moving and it comes to us
- **Mon. 27 June morning MarkZ:** There is a lot in flux as they are making decisions.....There is a whole lot of chatter from redemption centers ...most of my people are looking at the very **first of July now**. Most of my bond people are hearing the same thing at this point. I don’t think it’s a can kicking...I think its logistics.
- **Member:** MARK, just received this from my contact: As we speak, the paymasters continue to network between themselves and are receiving final instructions for their payments to begin **Monday 27 June**.
- **MarkZ:** My people are looking at the first or **second week of July**. I wouldn’t be surprised if we had it **10 minutes from now**.
- **Member:** Charlie Ward confirmed specific timing given by a special guest on his show saying start of **RV in July with dam busting in August**.
- **Those of us in Tier 4B (the Internet Group)** will have only once chance to exchange/redeem foreign currencies and bonds at the special rates that they can only receive at a specially set up Redemption Center.
- **Redemption Centers of the Global Currency Reset** have been set up to exchange foreign currencies and Zim bonds at special higher rates that the General Public will not receive.
- **Those Redemption Centers will only be open for a limited amount of time** (around ten days), after which those special foreign currency higher rates will no longer be available and Zim Bonds can no longer be redeemed.
- **The Iraqi Dinar** has always been the currency set to revalue first and will begin that revaluation at it’s pre-war rate of around \$3.23 per Dinar, then within 24 hours or so, float up to a more realistic double digit level (said could possibly be around \$17).

- **The Iraqi Dinar** has been on the Forex for some time, but has not yet revalued, nor changed in value. We may have to wait until all currencies revalue and exchange the Iraqi Dinar at a Redemption Center in order to receive the highest rates. You can track the value of the Dinar here: [Currency Converter | Foreign Exchange Rates | OANDA](#)
- **According to Ed of Oscala, those in Tier 4b have no contract**, though will be signing a rate agreement for each and every currency or bond at their Redemption Center appointment.
- **Anyone exchanging at a bank rather than a Redemption Center** (although some Redemption Centers have been set up inside some banks) will not be receiving the special rates that a Redemption Center can offer, but will be receiving the rate the general public receives as determined by that currency's rate on the Forex at the time of the exchange.

Reminder: No one, and I mean Absolutely No One knows the exact time and date that the Global Currency Reset would be finalized, with codes entered for notification of Tier 4B (us, the Internet Group) to set redemption/ exchange appointments – it dependent upon an earth shattering Event. **The exact deadline** would be decided by the Military out of calculations of their Quantum Computer and based upon concerns for safety of The People. **Trust the Plan.**

C. Mon. 27 June Ed of Oscala on the Dinar Revaluation: [Ed, Judy, DJ and more....Monday Morning 6-27-2022 — Dinar Recaps](#)

- **Two things first:** This is my informed opinion, and Tier 4b individuals, who are not already part of a group that is in Tier 3, will have ONLY one bite of the RV apple.
- **The appointment process is what makes this a tax-free event** federally, as that is part of the Treaty signed in 2015 by all 209 countries, including the US.
- **To again address what has been bandied about as a possibility that Iraq could go first on their own** and then later with the rest of the first basket of currencies, let me say that there has ALWAYS been a process that Iraq has to go through to reach revaluation. It is now time for the last step as part of getting to revaluation.
- **The step before revaluation is the reinstatement of the rate** that was in effect right before the war started in Iraq. That was around \$3.23 per Iraqi Dinar. They need to do that, and then in 24 hours, they will revalue because the rate will go up (float) to a realistic level in that short period of time to a double-digit rate.
- **The way it works within our RV is as follows:** When the reinstatement rate is announced, OR, when our notifications are being sent out and the reinstated rate is announced at the same time, we will have at least 24 hours before we can go to appointments. That same 24 hour is when the “float” happens, and so when we go in, the double-digit rate would already have been established. Our Private RV rate will be locked in for the entire RV period.

- **Those in Tiers before 4b, either have a contract or have SKRs** that are the basis for that exchange/redemption. If those individuals have additional currencies, they can exchange in Tier 4b also as individuals.
- **Tier 4b has no contract**, and everyone exchanging/redeeming in Tier 4b will be signing a rate agreement for each and every currency or bond at their appointment.

N. Mon. 27 June Did you know? DJ: <https://www.rumormillnews.com/cgi-bin/forum.cgi?read=202269>

- **As the mainstream media's all have their particular agendas for what they choose to show the public,** flying under the radar are the B.R.I.C.S nations and their alliance. (Brazil, Russia, India, China and South Africa.)
- **Unseen or generally ignored is the expansion of the BRICS countries and there growing dominance in the global economies.** The concept of this alliance dates back all the way to 1955. In 1990 the groundwork was laid and in 2009 the first BRIC summit was held. (South Africa joined in 2010 making it BRICS). There has been a summit every year since then.
- **These countries formed this alliance due to the manipulations of global financial mechanisms, generally caused by the U.S. and their policy agendas.** The USD being the global “currency reserve” gives the U.S. an uneven advantage in world trade. They can decide what, when and where any transaction settling in USD will go through. Using this advantage the U.S. can and does impose sanctions on countries that are not in line with U.S. policy and stop or hinder that particular country's abilities to move finances needed to facilitate global trade, until they submit or fall in line.
- **To step outside the control of the U.S. dominance and manipulations the BRICS alliance was developed.** It has grown expeditiously over the past few decades. Due to their low labor and production cost and control of global raw materials, the BRICS are nipping at the heels of the IMF and their special drawing rights (SDR) system. When countries need funds for infrastructure development they go to the IMF and borrow money in what is called SDR's. The BRICS have developed the BRICS Development Bank which offers lower rates and better terms for the same money.
- **The BRICS nations are home to 45% of the world's population,** control 30% of global territories and over the last decade have contributed over 50% of the global GDP.
- **As the U.S. grapples with high crime, open borders, wokeism and spiraling inflation the BRICS nations are meeting (June 22, 2022) to discuss economic strategies outside a western-dominated system.** And while Russia may be isolated from the West, for the rest of the world they are very much open for business.
- **For those monitoring the GCR/RV** ask yourself this, if the GCR is meant for the entire planet how will it affect 45% of the world's population and the BRICS agenda? We are

not only not on the same page, we are reading completely different books. There isn't a fox in our hen-house, there is a bear and it's not trans-gender.

O. June 27, 2022 Fulford Report: <https://benjaminfulford.net/category/white-dragon-society/weekly-reports/>

- **In an echo of History**, Angela Hitler gathered her lieutenants at her father's castle in Bavaria to vow to fight the last Ukrainian in the face of inevitable defeat by overwhelming Russian forces. This so-called G7 meeting is part of an emergency gathering of Khazarian mafia leaders who now face both military defeat and war crimes tribunals.
- **A look at the situation in Europe, the US and around the world makes it very clear we are dealing with the end of an era.** Even the Jerusalem Post, the flagship newspaper for the former Khazarian mafia stronghold of Israel, admits this now: *We are nearing the death of the old geopolitical system and of the world order that has kept repeating itself from the medieval ages. It seems, finally, that this cycle of plague, war and famine will be the last of Western hegemony and the birth of a new world order, a new world order which will probably bring back the balance of power to Asia and Africa, which were the centers of global wealth and power long before the industrial revolution.*
<https://www.jpost.com/opinion/article-710365>
- **Let us start with the situation in Ukraine. In a sign of total military defeat,** Ukrainian "recruiters" are now snatching people from their houses, the streets, restaurants and entertainment facilities and sending them untrained and poorly armed to the front lines. "A large number of seasoned Nazis were put out of action and those reservists who are now sent into battle aren't fit for the task," military expert Colonel Viktor Baranets told RT. Grabbing people off the streets and putting them into ditches to get killed by artillery is a clear sign of the imminent and total collapse of the Ukrainian military.
<https://www.rt.com/russia/557750-ukraine-draft-convicts-women/>
- **Both Japanese and British military intelligence say the whole so-called war is a marketing operation** so the arms industry has an excuse to buy new weapons and keep itself afloat.
- **Japanese military intelligence says** what is happening is that NATO is dumping its old and about to expire weapons stocks. The old weapons are all going to Syria and Afghanistan, not Ukraine, they add
- **"NATO is de facto The North Atlantic Arms Trade Organization** even if under various other guises," an MI6 source agrees noting "The Russo Ukrainian Conflagration is, in fact, the NATO Russo Conflagration intended to make a market."
- **It is more than just arms sales though.** What is really happening is the collapse of the EU and the United States of America Corporation, which are brand names of the Nazi Fourth Reich, the sources say.

- **Several years ago behind the scenes, the former Nazi Fuehrer George Bush Sr. ordered** the murder of Dr. Michael Van De Meer, the former head of MI6.
- **In retaliation, the entire Bush clan was executed,** MI6 sources say.
- **The Nazis then counter-retaliated with the Frankfurt-based election fraud which installed as President Joe Biden** “who was too incapacitated to know what was happening.” The source adds that “to my knowledge, nobody in the world listens to a word the man says.” This whole Nazi Biden counter move has led the US “a car wreck beyond repair and essentially a failed state.”
- **American biological laboratories in Bangladesh, Congo, Nicaragua, Nigeria, Egypt, Ethiopia, Georgia, Ghana, Haiti, India, Indonesia, Ukraine, Kenya** and other places are being raided to stop US activities in the field of biological warfare, sources.
<https://t.me/draftworld/66> <https://is.gd/nSH0Xo>
- **If you look at who is funding this activity, you will find that criminals are actively trying to kill 90% of humanity** in a desperate attempt to stay in power and enslave the surviving 10% of humanity. Funding sources include the US National Institutes of Health, the World Bank (why the hell does the World Bank have a BSL-3 biolab in Ethiopia?), US Navy Medical Research, the Gates Foundation, the CDC, the Clinton Foundation, etc.
- **The main country funding the Nigerian laboratories of the US NIH is Canada.** For those who are interested in how this WEF Trudeau puppet was involved, here is the proof. He financed it. This document says it all. <https://is.gd/L6TaC1>
- **Of course, these criminals are literally fighting for their lives and will not go quietly into the night.** In China, the Communist Party is using its extensive COVID surveillance infrastructure to quell protests by painting people's health QR codes red. Then they are arrested and imprisoned. <https://is.gd/k0xFgW>
- **In the West, Khazar mafia bosses are still desperately producing pornography of fear in order to establish similar control mechanisms in their countries.** They've been rehearsing and planning this for years.
- **For example, in November 2021, Bill Gates** warned about the threat of bioterrorism at ten airports in ten countries. Then, on May 19, 2020, we see news reports about monkey pox in ten countries.

P. White Hat Intel: NESARA/GESARA

- **NESARA + GESARA** — No Poverty, No Hunger, No Debt, Only Global Prosperity and Peace for ALL!
- **GESARA (Global Economic Stabilization and Recovery Act)** was voted to be implemented by all 209 sovereign nations of the world, per the signed 2015 Paris Agreement on Climate Change, starting with the restored Republic of the United States, known as NESARA (National Economic Stabilization and Recovery Act).

- **NESARA cancels all credit card, mortgage, and other bank debt due** to illegal banking and government activities. Many refer to this as a “jubilee” or complete forgiveness of debt.
- **Abolishes Federal Income Taxes in the U.S.** Creates a 17% flat rate non-essential new items only sales tax revenue for the government. In other words, food and medicine will not be taxed, nor will used items such as old homes.
- **Abolishes the Internal Revenue Service (IRS)**, with employees of the IRS will be transferred into the US Treasury national sales tax area.
- **Restores Constitutional Law to all courts and legal matters in the Republic of the United States of America.** Retrains all judges and attorneys in Constitutional Law.
- **Removes all dark cabal agents, admin officials and all members of the U.S. Congress** from their positions due to their continuous unconstitutional actions.
- **GESARA will now affect the Republic** along with the rest of the world amounting to a total of all sovereign nations.
- **The new financial system is part of GESARA law.** The IMF will announce the “global gold-standard monetary system” once GESARA is announced. All remaining fiat currencies will be cashed in for gold-standard currency. Paper money will eventually be phased out and all currencies will be digital under the new financial system — with the elimination of the national debt of every nation on Earth, taxes will be adjusted to be lower for citizens and corporations. The new financial system has been online for months and is hosted on a protected quantum server that cannot be hacked or accessed without permission.
- **Energy costs will drop drastically** as a result of free-energy and new technologies. The future will be unbelievable, complete; our lives will evolve immensely. Suppressed technologies that are being released date back 70 years or more. This tech will easily clean up our planet.
- **A new medical system will be the real health care** — with abilities to re-grow limbs or organs, or to reduce our age by 30 years.
- **When there is free energy, transportation and replicators distributed** to everyone, we will become equal. No one will be enslaved, people will just do what they want to do, have free time, time to reflect and be creative. No need to hoard anything.
- **People will live in the moment of now** — growing their own food & food for others. Many people are actually going to enjoy their jobs as they experience it gives them meaning and purpose, another way to serve. Those that don’t hold jobs will find alternative ways to experience happiness and contribute to the common good.
- **As the time approaches for a great change in our society**, it is time to transform pain and suffering from past experiences into joy, peace and prosperity! A new day is dawning that will bring in a caring and respectful epoch for humanity!
- **Planet Earth and humanity are experiencing The Great Shift of Consciousness**, also known as Ascension or The Great Awakening into Unity Consciousness. Mother Earth is

returning to be a sacred planet, and is taking the entire human population with her (whoever wants to go). It's a Golden Age beyond our wildest imaginations.

- **The Masked Resident** never got rid of these E.O's. Remember Trump EO on Child & Human Trafficking? Trump owns the World now. GESARA LAW all signed off at the HAGUE (International Court Of Justice)

R. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

T. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:

U. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

U. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady

who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
